Don Sd Cabo Bullna' Rpt. *Bbo* No. *2933*

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

Condition

The Bilbao Surveyor reports that the donkey boiler recess bulkhead has been removed, together with the donkey boiler, and the tank top plating, etc., in way of same examined and found to be in good condition. The donkey boiler seating has been renewed and a new boiler fitted, and the recess bulkhead refitted.

It is submitted the vessel appears worthy to remain classed without record of survey as recommended.
