

32041

COPY.

Forecastle head has been raised, new topg'n bulwark having been fitted for this purpose, and same fitted with suitable sidelights, etc. This has been done to make suitable accommodation for the crew, to conform to Chilean Government requirements. Windlass has been placed on forecastle head, deck beams and suitable stanchions have been placed below same, to support windlass. Hawse pipes and chain pipes have been lengthened to suit.

Holds have now been fitted throughout with suitable cargo battens.

Freeboard marking has been verified as per Rules and now certified to, as per provisional certificate (copy of which already forwarded 16.5.27).

Particulars of fore-castle asked
for. See classing endorsement.
