T/S/S "Port Bowen".

This vessel is fitted with steam turbines geared to two screw shafts & the machinery is now satisfactorily reported upon, except that on the trial trip the gearing worked with a considerable noise & the teeth in unequal bearing, in consequence of this the Surveyors recommend that the gearing be examined again in six months.

It is submitted that  
this vessel is eligible for  
THE RECORD. + LMC 5. 19. F.D.

4 Steam Turbines Geared to 2 Screw Shafts.

Subject to the reduction gearing being examined & before the end of November 1919.
