2 ENCLOSURES.

19th May, 1919.

Dear Sirs,

I am in receipt of your letter of the 16th instant with regard to the freeboard certificates for the Steamer "WAR CHIEF", and in reply thereto I have to inform you that a verification of marking form for this vessel has been received from the Society's Surveyors at Vancouver, but the freeboard certificates have not yet been issued as the Official Number is not yet known.

I now enclose the certificate in duplicate, for issue when the Official Number has been entered thereon.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

CARDIFF.
