Port of Newcastle

May 19th 1937

REPORT ON MASTS, SPARS, AND RIGGING.

Dear Sirs

Having, in accordance with your instructions,

examined the Masts, Spars, Iron Work of same, and Rigging, of the

(Name of Vessel) *SS Blanchyd Rivington the Lyne DR Long Dock*
on the (Date of examination) *May 19 1937,*

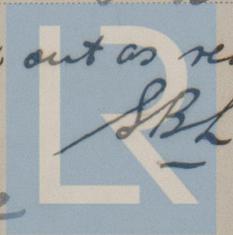

I have to report that I found *Main Topmast Backstays*
Port and Starboard, stranded. Recommend these to be
renewed. Fore Mast, Indented and wasted on the
re side, at the heel. Recommend a Doubling Plate
be fitted. Lower screw eyes and shackles of all
gging and stays. Worn in the hips. Recommend these
be fired made workable and repaired. Berrier
er eyes and links. Topping lift eyes and links at
Mast Heads. Worn in the hips. Recommend these to
be eased up for examination and repaired where necessary
the Mast, spars, other Rigging and Ironwork in
good condition

J. D. Pearson.

£ : : Repairs carried out as recommended.

REPORT ON MASTS, SPARS, AND RIGGING.

May 19, 1927

Having, in accordance with your instructions,

examined the Masts, Spars, Iron Work of masts, and Rigging of the

to report that I found them in good condition.

The masts and spars were examined and found to be in good condition. The rigging was also examined and found to be in good condition. The iron work of the masts was also examined and found to be in good condition.
