LLOYD'S REGISTER

Recd. 20 MAY. 1924

Ansd.

LONDON

Dear Sir,

We are in receipt of your classing letter of the 16th instant, respecting Barrow Report No. 2064 on the S.S. "Glanrhyd".

We beg to state that the main frames in way of the raised quarter deck aft of the engine room are as approved, and the forecastle deck beams are all bulb angles as approved.

The process of manufacture of the steel was Siemens open hearth, and it has been tested in accordance with the rules.

We herewith enclose forging report on the rudder of the vessel as requested.

We are, Dear Sir,

Yours faithfully,

The Surveyors,
