LLOYD'S REGISTER OF SHIPPING,

BALTIMORE. 26th April, 1939;

Dear Sir,

s.s. "MUNPLACE".

Reverting to recent correspondence regarding the above named vessel I have to report that she has been purchased by the Union Shipbuilding Company of this port for breaking up purposes.

I have been in contact with the breaking up yard today and have been informed that the equipment and other items are now being removed but the actual breaking up will not commence for a week or two yet.

I conclude that you will advise London of the above but we will also include it in our next quarterly wreck return.

Yours very truly,

The Principal Surveyor,

NEW YORK.
