Dear Sirs,

B. With reference to your memorandum of the 3rd instant respecting the m.s. "PIONER", I may say that letter "P" of the new Register Book will be going to press on the 2nd proximo and it will therefore be necessary for me to be advised by that date whether the work of demolition has actually commenced, as in that case the vessel should of course be omitted from the Reprint.

I shall await a further communication from you regarding this case at the time stated.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

ANTWERP.
