And.  
LONDON

Dear Sir

Referring to your classing letter of the 6th instant respecting the m.s. " **PIONER**" we beg to inform you that we are today in receipt of a letter from the owners' superintendent, in which he writes as follows, translated:

- " Referring to your letter of the 8th instant I beg to inform you
- " that the vessel has been sold ~~for~~ towing from Oslo to Holland or
- " Belgium. As far as the sellers know it is the owners' intention
- " to break her up on arrival one of these countries.
- " as regards the docking of the vessel I beg to mention that she
- " was docked at Nylands Verksted in March 1936 and was on that
- " occasion examined by Mr. Eide and it was then stated that there
- " were some indented plates forward and at sides but in way of
- " the bottom there was no damage except a few leaky rivets in the
- " keel.
- " At the request of the owners I beg to apply for a certificate so
- " that the vessel may retain her class until arrival in Holland or
- " Belgium without docking.
- " The vessel has been laid up at Kongshavn, Oslo since above
- " mentioned docking and as the materials of the vessel are

absolutely first class except some indented plates, I presume that you agree that docking is not necessary.

Please lay the matter before your Head Office and kindly ask them to reply by cable."

We shall be glad to be informed by cable whether the owners' proposal may be agreed to.

We are, Dear Sir,

Yours faithfully
