

# Lloyd's Register of Shipping,

Toldbodgaten 20,

Oslo, 7, 31st March 1937

Sir,

We beg to inform you that we are in receipt of the following letter-translated- from the superintendent of the owners of the motor ship " PIONER ":-

This vessel was docked and examined by Lloyd's Surveyor at Cape Town in November 1934 and the donkey boilers were examined at the same time.

On behalf of the owners I beg to request that you will confirm the above. At the same time I shall be obliged if you will state whether there were any recommendations on the hull and machinery when the vessel left Cape Town in November 1934.

When the vessel returned to Oslo about Xmas 1935, she had not been docked since November 1934."

We shall be glad to be informed accordingly.

We are, Dear Sir,

Yours faithfully
