Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

11th March, 1932.

Dear Sirs,

H.

I am in receipt of your memorandum of the 4th instant relative to the Motorship "PIONER" and in reply I have to say that in view of the Owners' intimation that this vessel is laid up and that the starboard screwshaft will be submitted to examination before she is again placed in commission, the Committee, who had the case before them at their meeting to-day, are agreeable to the inspection in question being postponed for the present.

I shall be glad if you will inform the Owners accordingly.

It is noted that the Donkey Boiler Survey was to have been held on the 5th instant, and I may say that your report on the case is awaited in due course.

I am, Dear Sirs,

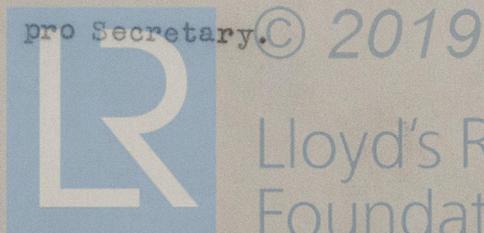

Yours faithfully,

The Surveyors,

OSLO.
