

Toldbodgaten 20,

Oslo, 4th October 1929

Enclosure

7 OCT 1929  
Anad. 8/10  
LONDON

Dear Sir,

Enclosed we beg to forward for approbation plans in triplicate of placing of two boilers on the tanktop deck of the motor ship "GROSHOLM". The owners have proposed to cut out in the main deck as shewn on the plan and we should be glad if you would state on the plan whether it is necessary to fit extra compensation for the cutting out in the main deck as the new opening continues to the after end of the bridge.

We are, Dear Sir,

Yours faithfully
