Dear Sir,

F.

With reference to the report received from you in respect of the Annual Freeboard Survey carried out on the Norwegian motorship "PIONER", I have to inform you that this Society is not authorized to carry out such surveys on Norwegian ships. If a survey equivalent to an Annual Survey is requested by the Captain of a Norwegian vessel it should be certified on a separate form and not on the freeboard certificate.

There is no provision for an Annual endorsement on the Norwegian freeboard certificate and in the circumstances I shall be glad if you will state where the endorsement was made and the actual wording used.

I am, Dear Sir,

Yours faithfully,

Secretary.

J. Wood, Esq.,

CAPE TOWN.
