LLOYD'S REGISTER
Recd. 19 JUN 1925

Toldbodgaten 20,

Oslo, 16 juni 1925

Enclosure.

LONDON

Dear Sir,

Referring to our letter of yesterday's date respecting the motor vessel "GROSHOLM" we beg to inform you that the capacity (water) of the double bottom tank in way of the deep tank is 85 tons.

A general arrangement showing the vessel after ^{the} conversion is enclosed herewith.

We are, Dear Sir,

Yours faithfully
