Dear Sir,

"Joseph Medill"

We send you herewith copy of a letter dated yesterday which we have received from Messrs. Ingledew & Co. reporting the first day's hearing of this Inquiry.

You will observe that in opening the Case and in discussing the possible causes of the vessel's loss Mr. Bateson, Counsel for the Board of Trade, suggested that the most probable cause was ice.

We are,

Yours faithfully,

Parker, Garrett & Co.

Joly.
