Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

3rd July, 1936.

Dear Sirs,

M.

With reference to previous correspondence respecting the Enquiry to be held into the circumstances attending the loss of the Motor Vessel "JOSEPH MEDILL", I have to acquaint you that the Board of Trade (Solicitor's Department) have forwarded to this Office a draft proof of the evidence which Mr. Akester will be asked to give.

In this draft occurs the clause :-

"Necessary tests were made as required by Lloyd's Rules
"and the results of the tests were found to be satisfactory".

In this connexion I have to request that Mr. Akester will forward a statement regarding all the tests made by him, and particularly those required under Section 2, Paragraphs 1 and 2, of the "Regulations for the Application of Electric Arc Welding to Ship Construction".

I am, Dear Sirs,

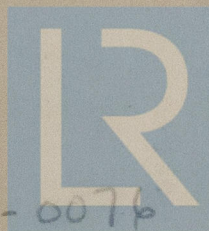

Yours faithfully,

The Surveyors,

NEWCASTLE-on-TYNE.

Secretary.
