24th June, 1936.

Dear Sirs,

M.

I have to acquaint you that it appears from a letter received from the Board of Trade Solicitor's Department that the Investigation into the circumstances attending the loss of the M.V. "JOSEPH MEDILL" will be held at the Moot Hall, Newcastle, at 10.30 a.m. on Tuesday, the 21st July.

The Board of Trade have been informed that the Surveyors who surveyed the hull and machinery of this vessel during construction are respectively Mr. A.G. Akester and Mr. A.R. Riddell, and that these Surveyors will be available to attend the Hearing if required.

I shall, however, be glad to hear from you if Mr. Turnbull, the Principal Surveyor, or any other Engineer Surveyor joined, to any appreciable extent, in the special survey of the hull or machinery during construction.

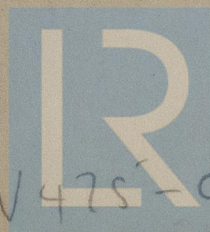

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

NEWCASTLE-on-TYNE.

Secretary.
