

"JOSEPH MEDILL".

The Surveyors who signed the First Entry Reports on the Hull and Machinery of this vessel are:-

Mr. A.G. Akester (Hull).
Mr. A.R. Riddell (Machinery).

It is submitted the Board of Trade might be advised of the names of these Surveyors, who will be available to attend the Hearing if required, also copies of the First Entry Reports on Hull and Machinery might be furnished as requested.

The Newcastle Surveyors might be advised of the date of the Hearing, and at the same time they might be asked to state if Mr. Turnbull, the Principal Surveyor, or any other Engineer Surveyor joined, to any appreciable extent, in the special survey of the Hull or Machinery during construction.
