Mr. Ferris

5th November, 1935.

My dear Mr. Wall,

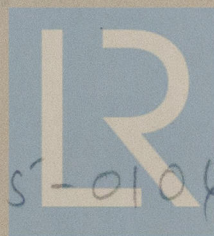

I am in receipt of your letter of the 1st instant, and have read with pleasure your remarks regarding our Annual Report and the services rendered by Mr. Shaw, the Principal Surveyor on the London Outdoor Staff, in the case of the "WISHBONE".

So far as is known there is no information whatever bearing upon the cause of the loss of the all-welded oil tanker to which you refer, and, as you say, the loss will probably never be explained.

With very kind regards,

Yours sincerely,

A. T. Wall, Esq.,
