Gentlemen,

CE.81 In.

As we are much interested in the matter of the voyage results of the welded ship which left the Tyne about three weeks ago, and which according to news stated by the daily papers has not been reported recently, we should be much obliged if you would give us the following data:

- 1) Name of Vessel.
- 2) Date of construction.
- 3) Where built
- 4) Name of Builders
- 5) Dimensions and Tonnage
- 6) Owners
- 7) If she is classed by Lloyds.

*See Supp<sup>t</sup>*

We regret that at the moment we are not certain of the name of the Vessel, but it was given us indistinctly over the 'phone as "JosephMedill", this name, however, we cannot trace.

Yours faithfully,

*No. 38652  
in Supp<sup>t</sup>*
