LLOYD'S REGISTER
RECEIVED
25 JUN 1935
LONDON

Dear Sirs,

H.
S.S. "OINOUSSIOS".

We have received a letter from Captain S. Pateras, Chios, under cover of which he has forwarded to us your letters of the 10th May and 5th June addressed to Messrs. N. J. Pateras & Sons, Chios, regarding this vessel.

Regarding the Port Bower Anchor, we would advise you that from our records it appears that at Rotterdam in September 1934, this damaged Port Anchor was disconnected and the spare anchor fitted in its place, the damaged anchor being lashed ^{on} /deck in place of the spare one.

We note what you write regarding the Donkey Boiler not being used again, and we will advise the Captain of your remarks in this connection as soon as we can.

The steamer sailed from Rotterdam on the 22nd May for Buenos Aires to discharge, therefore, it will be some little time before we are able to get in touch with the Captain.

Yours faithfully,
For and on behalf of
C. MICHALOS & CO., LTD.

The Clerk to the
Classification Committee,
Lloyd's Register of Shipping,
