Enclosure.

17th February, 1938.

Dear Sirs,

E.

I duly received your letter of the 10th instant, with plan, in duplicate, advised therein of crankshaft for Messrs. Maschinenfabrik Augsburg Nurnberg, Engines No. 690 170, for Messrs. Deutsche Werft A.G., Yard No. 202.

It is noted that when drilling an oil way in this crankshaft the twist drill broke, lodging in the hole, and I have to inform you that no objection will be taken to the additional hole made for the purpose of driving out the broken drill, as indicated on the plan, provided you are entirely satisfied with the work.

One copy of the plan is returned herewith.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
AUGSBURG.
