

Shipbuilders: Messrs. *Deutsche Werft A/G,*

Yard Nos *201-204*

Engineers: Messrs.

Hamburg.

Engine No.

Atlas-Werke A/G, Bremen

It is submitted that the plan of *evaporators*
(*Drawing N° E. 4369*) merits approval
for *working pressures of 1.8 kgs/cm² & 12 kgs/cm² for*
provided shell & coils respectively, provided
the evaporators be constructed under the
usual conditions of survey & testing.
