

Messrs. Deutsche Werft Yard Nos. 201/4

---

Plans of welded keyed quadrants and pinion shaft submitted, in triplicate, by the Hamburg Surveyors.

It is submitted Mr. Johnson be informed that the results of his tests have been noted with interest, and that the design of quadrant submitted by the Surveyors, subject to certain minor alterations, could be approved as being equivalent to the requirements of the Rules without the reinforcement previously required.

4th May, 1938.

Ltrs. 20th & 21st 4. 38.  
Asd. 4. 5. 38.  
4 plans 4 retained.
