Dear Sir,

m.t. "INVERDARCLE"

We regret to advise that the new Load Line Certificate issued to this vessel, in her transfer from Irish to British Registry, has, in course of transmission to the vessel, gone astray in the post.

Would you kindly issue new Certificate in duplicate as usual and, should the others eventually come to light, we will return them. The vessel is leaving Liverpool very shortly and we would appreciate it if you would treat the matter as urgent.

While on this subject, we would just mention that we do not appear to have received the Load Line Report on these Inver tankers, your Surveyor in Avonmouth raised the question the other day when dealing with the Annual Survey on the Inversuir. These vessels are:-
