**Certificate A. To be signed by Surveyor in respect of a partial or complete survey.**

I have surveyed the ship named at the head hereof, to the extent indicated below, in accordance with the instructions contained in Board of Trade Circular 1687, and the requisite details of the survey have been entered herein.

| Index Nos. of items examined. † | Signature of Surveyor. | Place.         | Date.                  |
|---------------------------------|------------------------|----------------|------------------------|
| <i>all</i>                      | <i>P. V. Balfour</i>   | <i>Piraeus</i> | <i>19th July: 1939</i> |
|                                 |                        |                |                        |
|                                 |                        |                |                        |
|                                 |                        |                |                        |

**Certificate B. To be signed by Surveyor completing the survey.**

I am satisfied

- (i) that the fittings and appliances for the protection of openings, the guard rails, the freeing ports and the means of access to the crew's quarters have been maintained on the ship in as effective a condition as they were in when the certificate was issued; and
- (ii) that no material alterations have taken place in the hull or superstructures of the ship which affect the positions of the load lines.

I have endorsed the Load Line Certificate and the certified copy as follows:—

Signature of Surveyor *P. V. Balfour* Place *Piraeus* Date *19th July: 1939*

Signature *P. V. Balfour* Date *19th July: 1939*

† Insert "all" in case of a complete survey.

Fee *£6.0.0.* TRAV. EXPENSES *10/-* ✓

Number of Visits *1*

Surveyors should note that there is only one valid certificate, and the above endorsement should be made thereon. No entry should be made on a certified copy of the certificate unless the original certificate has been produced to and endorsed by the Surveyor.
