ENCLOSURES.

28th April, 1938.

Dear Sirs,

M.

I return herewith the plans which you forwarded to the Rotterdam Surveyors, who have passed them on to this Office to be dealt with, in connexion with the Owners' proposals to extend the promenade deck aft and to fit an extended deck house on top of same in the case of the S.S. "SIMON BOLIVAR", and with regard thereto I have to state that the scantlings and arrangements as shewn and amended will be approved, provided they be carried out to your satisfaction.

In considering this proposal it has been assumed that the existing arrangement of covers, webs etc. at No. 3 hatch at the deck below the promenade deck will be retained, but this should be confirmed.

As desired by the Rotterdam Surveyors I have wired you to-day as follows :-

"Simon Bolivar returning plans today minor amendments".

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
AMSTERDAM.
