Cardiff, 26th January, 1935.

2. ENCLOSURES.

Dear Sir,

With reference to your letters of the 24th and 25th instants regarding the steamer "ATTIKOS", we beg to report that the Owners' representative informs us that, as the ship is urgently required, he has obtained permission from the Board of Trade to proceed for a short voyage to the Mediterranean on his old freeboard certificates. He stated that he will have the conditions for the Convention freeboard certificates completed on the vessel's return to the United Kingdom.

We therefore return the Convention freeboard certificates which you forwarded to us yesterday, the 25th instant.

We are, Dear Sir,

Yours faithfully,

The Surveyors,
