Dear Sirs,

ss "LE PHOQUE"

We are in receipt of your letter of the  
19th inst, and note its contents.

Our ss "LE PHOQUE" has been badly damaged  
through the colliding ss "BENNEKOM", while lying at Antwerp,  
on the 15th December.

Our vessel requiring important repairs,  
we propose to comply with the Special Survey of the boilers,  
at the port where these repairs are going to be carried out.

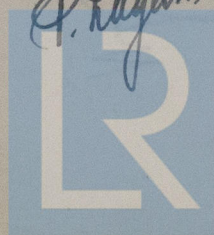

We hope this will meet your full agree-  
ment, and we beg to remain,

Yours faithfully,
