S. S. No. 740, building by Messrs. Swan, Hunter & Wigham Richardson Ltd.

The Newcastle Surveyors state that the kedge anchor supplied to this vessel (the weight of which is 4 cwts., 1 qr., 7 lbs.) is 21 lbs., less in weight than that required by the Rules, but that the stream anchor is 21 lbs., in excess. The Surveyors submit the anchor for the favourable consideration of the Committee and ask to be advised of the Committee's decision by wire today.

It is submitted that the anchor in question might be approved for the figure 1.
