

M.V. "DUNAFRIC"  

---

A 2nd S.S.No.2, due 4,35 after a late S.S.No.3, has been partly held and the greater part of the survey remains to be carried out. The shell plating requires to be drilled at this survey, as the vessel is now more than 24 years old. A proposal to complete the survey within the year of grace was agreed to.

The year of grace expired 4,36. The Owners recently stated that the vessel was laid up at Dunkirk and they had not definitely decided as to her employment or when the Survey would be completed. They now state they have decided to move the vessel from Dunkirk to Newcastle or Sunderland, and trust this will be in order.

It is submitted the Owners' proposal be approved.

*[Handwritten initials]*  
5.5.36

*The Owners Representative states that the survey will be held on arrival at Newcastle or Sunderland*

*Brund*
