LLOYD'S REGISTER OF SHIPPING,

HONG KONG, 6th May, 1932.

Sir,

I enclose herewith freeboard reports and request  
on the steamers "TINHOW", "TYMERIC", "DUNAFRIC" &  
"ST. ANDREW".

In the case of the "TINHOW", "TYMERIC" and "CAPE  
ANDREW" sheer heights were measured while the vessels  
in dry dock as accurately as possible, but as the  
"AFRIC" was surveyed afloat no sheer heights are given.

Displacement scales were not available for any of  
the vessels.

I am, Dear Sir,

Yours faithfully,

(Sgd.) T.S. Morrison.

Secretary,

LONDON,
