Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

6th June, 1932.

Dear Sir,

I have to acknowledge the receipt of your letter of the 31st ultimo respecting the steamer "WANDSWORTH WORKS", the contents of which are noted.

With regard to your concluding paragraph, it is suggested that when applying to this Office by cable for particulars taken from the previous freeboard reports in the cases of ships which are to be submitted to inspection at your port for the reassignment of freeboards the following telegram in the Society's Private Code might be sent:-

SHIP'S NAME.
JYGKIJYVBO

- Forward particulars of freeboard

Where plans are required for reference the following might be added:-

{ ACPUN - also
 MYMKU - plans of midship section and profile
 (or others as per Page 216 of the Society's Code)

In the event of a reply by cable being necessary EPYTH meaning "Cable reply" should be added.

I am, Dear Sir,

Yours faithfully,

G.T.BScullard Esq.,

LISBON.
