S. S. Woron ex Haines

This vessel, built in 1907 by Messrs Bremer Vulkan, Vegesack, was classed with the Germanischer Lloyd, & has been surveyed with a view to classification with this Society. The Newcastle Surveyors state that the Machinery & Boilers have been examined and found to be in good and efficient condition.

It is submitted that  
this vessel is eligible for

**THE RECORD.** L.M.C. 7.21.C.L.F.D.

S. 7.21

The Newcastle Surveyors should be requested to state whether they have adjusted the safety valves to 220 lbs per square inch on account of the condition of the boilers, as the working pressure assigned was 225 lbs per square inch.
