13th June 1921.

F. 3646.

L.C.DAVIS

Messrs. The North Eastern Marine Eng Co., Ltd., attend their Sunderland works for the purpose of examining the workmanship on five boiler furnace saddle plates made to the order of Messrs. Brigham & Cowan, Ltd.; of South Shields and intended for the steamer "NAIMES" of London.

The five saddle plates were examined during and after flanging and the workmanship was found good.

For purposes of identification the five saddle plates were stamped thus:-
