Lloyd's Register of Shipping.

Port of PORT NATAL.

20th February, 1936.

This is to Certify that I have

the S.S. "NORLAND" of Hamburg, 6559 tons

whilst afloat at Port Natal, on account of damage.

I have transmitted to the Committee of Lloyd's of Shipping, London, a Report, stating that all repairs done by me have been completed to my satisfaction, and

Recommended that she be retained as at present

subject to the vessel being examined in a dry-dock at the first convenient opportunity.

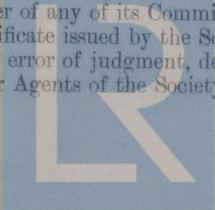

Why? or what parts?
See back of Rpt 8

to carry dry and perishable cargoes.

A. H. Boyle

Surveyor to Lloyd's Register.

ued upon the terms of the Rules and Regulations of the Society, which provide that:—
ees of the Society use their best endeavours to ensure that the functions of the Society are properly
stood that neither the Society nor any Member of any of its Committees is under any circumstances
nsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any
or other publication of the Society, or for any error of judgment, default or negligence of any of its
r thereof, or the Surveyors, or other Officers or Agents of the Society."
