

Extract from Hamburg Rpt. 8 No. 20994 dated the 12th Nov. 1933.

s.s. "ELSA MENZELL".

The freeboard verified and found the new International freeboard given by the See-Berufsgenossenschaft now marked and cut in on the vessel's sides as follows:-
Top of Statutory deckline = upper edge of stringer plate (upper Deck). From top of statutory deck line to centre of disc = 3.10m Tropical fresh water above centre of disc = 0.36m. Fresh Water above centre of disc = 0.18m. Tropical above centre of disc = 0.18m. Winter below centre of disc = 0.18m. The freeboard verified and found correctly marked.
