

Gls reports Nos.41641/2

Messrs. Babcock & Wilcox, Ltd., Water tube boilers
Nos.1107 & 1108 intended for Standard "N" class vessels.

The total fee, as per agreed scale of charges, for the survey of the hull and machinery of a Standard "N" class vessel would be about £433.10.0 and the portion for the survey of the boilers is 1/12th of £433.10.0 = £36.2.6.

It is submitted that a fee of £36 should be charged for the survey during construction of each set of water tube boilers, as the fees chargeable for the survey of boilers during construction for standard vessels were payable by the Builders, it is submitted the Glasgow Surveyors should render an account Messrs. Babcock & Wilcox, Ltd.
