3rd December, 1929.

Dear Sir,

I duly received your letter of the 27th ultimo respecting the Steamer "INCHDAIRNIE", from which it is noted that the Owners would prefer to complete the Special Survey No. 2 of this vessel upon her arrival in Germany from Savannah at the beginning of next year, and I have to say that the Committee will not object to this being done, provided, in the opinion of the Society's Jacksonville Surveyor, the vessel is in an efficient condition for the voyage.

With regard to the Owners' statement as to what portion of the Special Survey has already been held, I may say that a copy of my letter to the Owners of the 31st October last was duly furnished to the Jacksonville Surveyor, and I shall be glad if you will kindly inform the Owners to this effect and make it clear to them that the Jacksonville Surveyor is now in possession of full details regarding the portion of the Special Survey already held, as enumerated in my letter to them of the 31st October last.

I am, Dear Sir,  
Yours faithfully,

A. Chisholm, Esq.,  
HAMBURG.

Clerk to the Classification Committee.
