Received from Chief Ship Surveyor

VESSEL'S NAME Steel Sc. Sr. "ELSA MENZEL" Rpt. Ela No. 1272

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

The Braila Surveyor reports that on account of damage through collision, repairs have been effected to deck fittings etc.

It is submitted the vessel appears worthy to remain as classed without record of survey.
