Dear Sirs,

H.

I beg to acknowledge the receipt of your letter of the 16th instant intimating that you intend having the Boiler Survey of the steamer "ELSA MENZELL" carried out during her next docking, which will take place either in the United States at the end of this month or on her return to the Continent a few weeks later.

In reply I have to say that in the circumstances the Committee, who had the case before them at their meeting to-day, are agreeable to this arrangement.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

Messrs. Menzell Reederei A.G.,
