# Lloyd's Register of Shipping.

Port

NEW YORK

MARCH 20th, 1931.

This is to Certify that I have

surveyed the S.S. "ELSA KENZELL" 6559 tons gross register of

damage on account of damage through encountering heavy weather

from about Feb. 15th to March 4th, 1931, and through encountering

ice in the Black Sea on January 7th, 1931,

and that I have transmitted to the Committee of Lloyd's

Register of Shipping, London, a Report, stating that all heavy weather damage

recommended by me have been completed to my satisfaction, and

that I have Recommended that she be continued as classed

without fresh record of survey, subject to vessel being further

examined on account of ice damage and to copper expansion on the

engine being renewed on vessel's arrival at her home port,

and being fit to carry dry and perishable cargoes.

M Dickson

Surveyor to Lloyd's Register.

This certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"The Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any error in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
