and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report, stating that all repairs
recommended by me have been completed to my satisfaction, and
that I have Recommended that she be continued as entered in
the Society's Register Book, without fresh record of survey, to have
fresh record of 2-29 subject to the main feed pump suction
valve chest being renewed on the vessel's return from present voyage,
being fit to carry dry & perishable cargoes.
