

s.s. "INCHDAIRNIE"

Mr. Fletcher, the Owner of this vessel, called here today regarding the Special Survey No.2, which is at present being held at Rotterdam. He stated that the survey had been completed, and requested that certificates might be issued to him as soon as possible, as the vessel was being sold.

It was pointed out to Mr. Fletcher that in a letter received from the Society's Surveyors at Rotterdam, dated 2nd instant, it appeared that only a part of the <sup>hull</sup> survey had been held, and certain items were required to be done to complete the survey of the machinery.

Mr. Fletcher asked that the part of the survey which was held at Rotterdam in February 1928 might be taken as part of the s.s.No.2 due in May next, and he intimated that he was proceeding to Rotterdam tonight in connexion with this survey.

It is submitted the Rotterdam Surveyors be informed of the intended visit, and of Mr. Fletcher's request.
