THIS IS TO CERTIFY that the undersigned Domenico Roncallo,
at the request of the captain of the steamer "KINGHORN"
examined the after part of bottom of this vessel, in way
of the scarp of the rudder post and the rudder and propeller. -
Nothing abnormal having been found he hereby declares that
bottom plating aft, riveting of scarp of rudder post and
rudder and propeller show no signs of damage. - It was also
that the rivets in scarp of rudder post have still the
marine paint on in good condition. -
