Dear Sir,

s.s. "GIRASOL".

In reply to your letter of 6th inst. regarding the loss of above named Vessel through being sunk by collision I am not aware of any circumstances which would render it desirable that the Committee should defer having the Vessel's class expunged from the register book.

Yours truly,

pro. WILLIAM ROBERTSON.

Thos Sheriff

In reply to your letter of 1st inst. regarding
the fact of above named vessel having been built by collaboration
I am the more of an embarrassment when your letter is received
that the vessel is still under construction and will be ready
for the register, etc.
