Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

27th January, 1936.

Dear Sirs,

H. With reference to the Special Survey No. 3 which became due at the end of September, 1933, on the steamer "AMALTHUS", I have to acquaint you that following satisfactory Modified Special Surveys the Committee agreed to this vessel's class being extended until the end of the present month.

The Owners now state that the vessel is due at Osaka between the 15th and 29th of this month when she is to be handed over for breaking up. In the circumstances the Committee have decided that the record 'to be broken up' is to be posted against the vessel's name in the Register Book on her arrival in Japan.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

KOBE.
