22nd November, 1921.

Sirs,

With reference to my letter of the 22nd September forwarding freeboard certificates for the S.S. "AMALTHUS", to inform you that this vessel is now at Cardiff and certificates have been forwarded to the Society's agents at that port for issue. I shall therefore be glad if you will return for cancellation the freeboard certificates which were forwarded to you in September last.

I am, Dear Sirs,

Yours faithfully,

Secretary.

Yours,

NEW FRANCISCO.
