

COPY FOR LONDON OFFICE.

Lloyd's Register of British & Foreign Shipping.

Head Office : 71, Fenchurch Street, London, E.C.

Port GREENOCK.

27th June, 1912.

This is to Certify that I have

Surveyed the Steel Screw Petroleum Tank Steamer "HERA" of Hamburg recently built by Messrs The Greenock & Grangemouth Dockyard Co. Ltd.

and that I will have transmitted to the Committee of Lloyd's Register of British and Foreign Shipping, London, a Report stating that all repairs recommended by me have been completed to my satisfaction, and that I have Recommended that she be classed in the Society's Register Book +100A1 "for carrying Petroleum in Bulk", subject to the sternframe being renewed in 3 months time as desired by the Owners.

The vessel being fit to carry Petroleum to any part of the World.

Principal Surveyor to Lloyd's Register.

Handwritten signature: James S. Cleaver

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which are printed in the Register Book. While the Committee of the Society are under an obligation to use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any Report or Certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society.
