3 ENCLOSURES

16th September, 1912.

Gentlemen,

M I have to acquaint you that an application for freeboard assignment has been received from the Owners of the Steamer "HERA", No. 569 in R.B., and as it would appear that this vessel is due at your port on the 22nd instant I shall be glad if you will be so good as to arrange to visit the vessel and obtain all the measurements and particulars required on Report Form 11b.

For your information in dealing with the case I have to send herewith particulars of the sheer, as provisional furnished by the Builders when plans were submitted, also lengths of deck erections, and other particulars taken from the First Entry Report on the vessel, together with the approved midship section, profile and deck plans.

I am, Gentlemen,

Your obedient servant,

Secretary.
